

SHORT COURSE CORPORATE GOLF DAY PACKAGES

Bring your team to the Short Course at 13th Beach Golf Links. 9-hole layout designed by Tony Cashmore, the architect behind our Beach Course and co-designer of the Creek Course, set on the Bellarine Peninsula. Tees range from 105 to 188 metres, so the course suits everyone from first-timers to seasoned players.

We run the full tournament experience through Golf Genius - handling registration, live scoring and results from start to finish. You'll have exclusive use of the Short Course Kiosk for the pre-round briefing, presentations, and catering throughout the day.

Whether it's a client day, a team celebration or just a good excuse to get outside, the Short Course delivers all the fun of golf without taking itself too seriously.

Enquire now via dcarty@13thbeachgolf.com or at 13thbeachgolf.com
