CORPORATE GOLF

GOLF COURSES

BEACH COURSE

Unique in its design by Tony Cashmore, the Beach Course is set in the dunes and is a marvellous test of any golfer's ability. With beautifully manicured fairways, greens, and bunkers, it has a strategic design that offers the ultimate in risk reward golf. The first four holes play away from the clubhouse, winding through the houses on the 13th Beach Estate. The fifth tee is the beginning of a series of dramatic and natural golf holes that look and feel like they were there long before the golf development was opened in 2001.

CREEK COURSE

Whilst the Beach Course has a strong and wonderful links character, the Creek Course possesses a similar feel to the very best of Melbourne's sand belt – with gently rolling terrain and interesting bumps, swales, and hollows, all closely mown. A wonderful compliment to the Beach Course, it has gently undulating couch fairways, firm greens, and deep bunkers. Co-developed by Sir Nick Faldo and Tony Cashmore, the Creek Course is quirky, yet creative, with square-cut tees and use of the creek itself and remaining pine trees in its hole strategy.

SHORT COURSE

Just over a year old, the newly opened Short Course comprises of 9 holes with multiple tees.

A gentle walk that takes no longer than 1.5 hours, the Short Course is suitable for golfers of all levels with each hole presenting its own strategic challenge.

THE THIRTEENTH BEACH GOLF ACADEMY & DRIVING RANGE

The Thirteenth Beach Golf Academy & Driving Range is located next to the Clubhouse. Led by Certified PGA Professional, Scott Smith, the Golf Academy provides coaching to all levels of golfers. Offering comprehensive game analysis and fitting systems, the Golf Academy aims to ensure that players get the best game possible through professional treatment. If you would like to book a lesson with a certified PGA Professional, speak to the team at the Golf Academy or head to their website at <https://www.thirteenthbeachacademy.com/>.

CORPORATE GOLF FORMATS & EXTRAS

FORMATS

INDIVIDUAL STABLEFORD

Rather than counting the total number of strokes taken, as in stroke play, it involves scoring points based on the number of strokes taken at each hole.

4 PERSON AMBROSE

Each player hits off the tee, the best shot is selected and all other players pick up their ball and place it, within one handspan, alongside the best ball. Each person then hits a second shot from the same spot. This process is repeated until the ball is holed.

GENTSOMES EVENT

Gentsomes team is made up of four players and all players play their own golf ball from the tee. The best ball is chosen and all players play from that spot; Within one club-length, After the tee shot the players play their own ball as individual stableford until the ball is holed. The best 2 stableford scores on the hole are totalled and written on the card.
